

If your facility is regulated under the SPCC/FRP rule, different sections of the rule will apply depending on the type of facility you own or operate. You should read the text of the various sections to determine their applicability to your operations. Use the following table as a guide to what facilities are generally covered in a particular section and subpart.

Subpart of rule	Rule section	Type of facility	Type of oil
Subpart A	112.1 through 112.7(f)	All facilities	All types of oil
	112.7(g)	Nonproduction facilities	All types of oil
	112.7(h)	Onshore facilities	All types of oil
	112.7(i) and 112.7(j)	All facilities	All types of oil
Subpart B	112.8	Onshore non-production facilities	Petroleum and non-petroleum oils, excluding animal fats and vegetable oils
	112.9	Onshore production facilities	Petroleum and non-petroleum oils, excluding animal fats and vegetable oils
	112.10	Onshore oil drilling and workover facilities	Petroleum and non-petroleum oils, excluding animal fats and vegetable oils
	112.11	Offshore oil drilling, production, or workover facilities	Petroleum and non-petroleum oils, excluding animal fats and vegetable oils
Subpart C	112.12	Onshore non-production facilities	Animal fats, oils, and greases; fish and marine mammal oils; oils of vegetable origin (including oils from seeds, nuts, fruits, and kernels.)

Subpart of rule	Rule section	Type of facility	Type of oil
	112.13	Onshore production facilities	Animal fats, oils, and greases; fish and marine mammal oils; oils of vegetable origin (including oils from seeds, nuts, fruits, and kernels.)
	112.14	Onshore oil drilling and workover facilities	Animal fats, oils, and greases; fish and marine mammal oils; oils of vegetable origin (including oils from seeds, nuts, fruits, and kernels.)
	112.15	Offshore oil drilling, production, or workover facilities	Animal fats, oils, and greases; fish and marine mammal oils; oils of vegetable origin (including oils from seeds, nuts, fruits, and kernels.)
Subpart D	112.20(a-d) (f-h)	Facilities required to submit a Facility Response Plan	All types of oils
	112.20(e)	All facilities	All types of oils
	112.21	Facilities required to submit a Facility Response Plan	All types of oils
Appendices	Appendix A	All facilities	All types of oils
	Appendix B	Offshore facilities	All types of oils
	Appendix C	All facilities	All types of oils
	Appendix D	Facilities required to submit a Facility Response Plan	All types of oils

Subpart of rule	Rule section	Type of facility	Type of oil
	Appendix E	Facilities required to submit a Facility Response Plan	<u>Sections: 1, 2, 5, 6, 11, 12, 13:</u> All types of oils <u>Sections 3, 4, 7:</u> Petroleum and non-petroleum oils, excluding animal fats and vegetable oils <u>Sections 8, 9, 10:</u> Animal fats, oils, and greases; fish and marine mammal oils; oils of vegetable origin (including oils from seeds, nuts, fruits, and kernels.)
	Appendix F All Sections (excluding Attachment C-II)	Facilities required to submit a Facility Response Plan	All types of oil
	Appendix F Attachment C-II	All facilities	All types of oil
